Facilities Management

SPACE HEATING OUTAGE NOTIFICATION

Location: Engineering Gateway, Building #321
Calit2, Building #325

Disruption/Outage: Space Heating

Date: Saturday, December 13, 2025

Duration: Scheduled to begin at 6:00am and last for approximately 8 hours, ending at approximately 2:00pm.

Details: Facilities Management will be replacing one steam generator at Engineering Gateway. To prepare for installation, new isolation valves shall be installed which require high temperature water shutdown at Engineering Gateway. The same pipes serving Eng. Gateway are connected to Calit2, and this outage will impact both buildings. While air circulation will not be impacted, the air will not be conditioned (only cold air supplied).

* We use South Coast Air Quality Management District (SCAQMD) compliant low-VOC materials (e.g., paints, sealants, etc.). For any health concerns, please contact Environmental Health and Safety at x4-6200

We appreciate your cooperation and apologize for any inconvenience this may cause. If you have any questions or concerns, please contact Facilities Project Manager, Amir Anvarhosseini, at 949-343-5375 (cell) or aanvarho@uci.edu.

Cc: Building Facility Manager (please route to appropriate MSO/affected faculty and/or staff)
